partnering growth

# Translation & Conversion of E-Courses

## Translation of E-Courses

**What is it?**

Modification of E-Course according to target audience location.

**Why is it necessary?**

To make courses widely acceptable.  
To generate maximum ROI (Return on investment).

**What needs to be translated exactly?**

Language (Content)  
Images  
Flash files

## Conversion of E-Courses

**What is it?**

Renovation of old E-Courses with new tools to fulfill the current market needs.

**Why is it necessary?**

Courses are to be made compatible across browsers and devices.

**What needs to be converted exactly?**

Enrichment of content is needed with visualisation and interactions.
